SUMMARY

An industrious Marketing Communications Specialist with the ability to craft compelling campaigns and combine creative storytelling and SEO tactics to increase conversions while strengthening customer communications across digital platforms. Competent at evaluating customer behavior and market trends to maximize brand loyalty and visibility through strategic marketing initiatives, partnering with cross-functional teams and governance stakeholders to ensure consistent brand representation. Devoted to exceeding sales targets by means of coordinated execution and strategic planning, leveraging content creation (articles, blogs, case studies, and presentations) and events to enhance customer experience and support digital solutions initiatives. Committed to exceeding industry standards in order to produce significant outcomes while ensuring brand alignment and adherence to brand standards, measuring effectiveness through analytics, KPIs, and reporting tools with strong written English language skills and CRM-enabled reporting.

PROFESSIONAL EXPERIENCE

Marketing Communications Specialist

May '23 — Present

MOUSER ELECTRONICS

Bengaluru, India

- Spearheaded the development and execution of dynamic marketing communication strategies encompassing 1000+ tactics, aligning with global marketing standards and brand governance to enhance customer experience and campaign effectiveness across Southeast Asia and EMEA.
- Orchestrated the optimization of digital advertising campaigns across multiple platforms and internal communication platforms for the EMEA region, leveraging reporting tools and analytics to drive a 20% increase in click-through rates.
- Conducted comprehensive market research and analysis to discern emerging trends, partnering in cross-functional collaboration with sales and regional teams to refine content creation and digital solutions, improving campaign efficiency and supporting brand awareness initiatives.
- Leveraged Google Analytics and other analytical tools to meticulously evaluate campaign performance metrics for over 1000+ campaigns, providing invaluable data-driven insights and recommendations.

Digital Marketing Intern

Sep '22 — May '23

Digital Academy 360

Bengaluru, India

- Developed and optimized a WordPress website for a digital marketing business, using customer-centric UX and SEO best practices to achieve an SEO score of 92 and improve reporting on engagement metrics.
- Pioneered a captivating blog titled 'The Evolution of the Best School in Bangalore' for Harvest International School, integrating articles and blogs with social media content creation to strengthen corporate communication, written English quality, and employer branding.
- Conducted comprehensive keyword research analysis, identifying high-impact keywords to optimize search engine rankings and drive organic traffic for multiple businesses.
- Spearheaded the creation of a tailored Google Ads strategy for Urban Company and crafted visually compelling graphic banners, coordinating cross-functional collaboration to deliver targeted presentations and case studies for recruitment marketing that maximized ROI.

Catalog Associate - EN

Oct '19 — Aug '22

AMAZON DEVELOPMENT CENTRE INDIA

Chennai, India

- Played a pivotal role in orchestrating impactful customer communications and marketing campaigns to boost traffic and sales revenue, leading the strategic planning and execution of 1000+ initiatives while ensuring brand governance and consistent messaging across platforms.
- Spearheaded end-to-end marketing initiatives for key holidays like Father's Day, overseeing events coordination and the development of targeted advertising campaigns and presentations, with performance tracking and reporting that informed continuous improvement.
- Meticulously analyzed campaign performance metrics, enabling data-driven decision-making and the implementation of optimized marketing strategies that resulted in a notable 10% increase in both traffic and revenue.
